Dear Squaw Valley Property Owner,

We wanted to let you know that Placer County has just signed a one-year maintenance agreement with the Tahoe City Public Utility District (TCPUD) to provide general maintenance service for the Squaw Valley playground, bike trail, parking lot, and sports field. This new agreement takes effect on Monday, August 1, 2011.

I wanted to take this opportunity to introduce myself and my Park Superintendent and share with you some of the services we will be providing in your neighborhood.

TCPUD will be responsible for basic maintenance services such as custodial and routine park maintenance and Placer County will continue be responsible for major repairs and/or improvements to these facilities. Providing excellent customer service to our community is one of our core values. Please do not hesitate to contact us, should you have any questions, concerns, requests or input.
